

## **Before and After Care Program**

St. Peter's School provides a before and after care program as a service to families who need childcare. Our program is operated by a board-certified staff member and is licensed by the State of Maryland. The program is open to all Pre-K through 8th grade students.

**Registration Fee:** All families utilizing our before and aftercare program must pay a one time registration fee each year. The registration fee is \$25 per family.

**Hours of Operation:** The before care program begins at 6:00 AM and ends at 7:50 AM. The children are given a light breakfast and have the opportunity for quiet activities and study time. Breakfast is served from 7:10am - 7:30am.

The after care program begins after school and ends at 6:30 PM sharp. The children are given a snack and have the opportunity for active play outside, quiet activities and homework time. Children are also allowed to bring their own snack. After care runs each day from 3:15 PM to 6:30 PM. Additional late fees are incurred if the student is picked up after 6:30 PM.

**Billing:** Our billing is processed by a system called EZCare. **It is not billed through TADS.** Each parent will have their own parent portal where they can update their family information and review/pay their invoices. You will need to register on the EZCare site - <https://www.ezcaresoftware.com/parent-portal/>

**2019 - 2020 Fees**

- One child - \$10.00/hour
- 2 or more children - \$12.00/hour/family
- Late pickup fee - \$1.00/minute

### **Early Dismissal Care Program**

In order to better serve the needs of our parents, after care will be available on specified early dismissal days as per the school calendar. Hours of operations will be 12:00 PM until 4:00 PM. Additional late fees are incurred if the student is picked up after 4:00 PM. Students will need to bring their own lunch on early dismissal days as the hot lunch program will not be available. Rates are the same on early dismissal days.
