

# 6th, 7th, and 8th Grade Literature and English

Hello! I am the new Literature and English teacher at St. Peter's School. My name is Mr. Kadjeski.

I worked at Henry E. Lackey for three years as a Special Education Instructional Assistant. I am also a published Poet, and like to work on creative writing projects (such as D&D and personal tales).

This year, we are going to be reading four books a quarter, in addition we will be strengthening our spelling, grammar, and writing skills and applying these to History, Religion, and Science classes.

I am looking forward to sharing with my students the joys of discovering new worlds in literature. English is a remarkable way for students to express themselves and their faith.
