Getting to Know Mrs. Beagley

A few things about me; I was born in Landstuhl, Germany on June 6 to military parents, longer ago than I care to admit. I am a graduate of McDonough High School; I hold a Bachelor's of Science in History from Towson University; and a Master's of Arts in Teaching from Bowie State University. My husband and I have been married for twelve years, and we have a nine, almost ten, year old son who will be starting the fourth grade at St. Peter's this fall. We are all avid readers, sports fans, and computer gamers.
