

Mrs. Holm
 Middle School
 Math Teacher

It's such a blessing to be teaching another year of math at St. Peter's School. I am looking forward to another wonderful year with such amazing students.

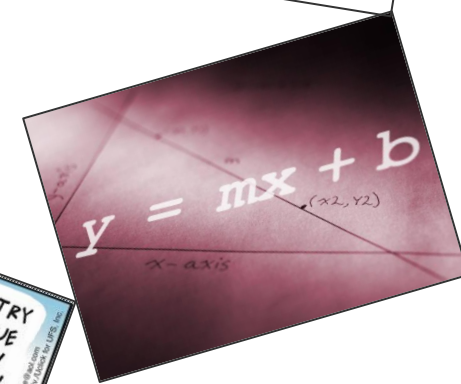

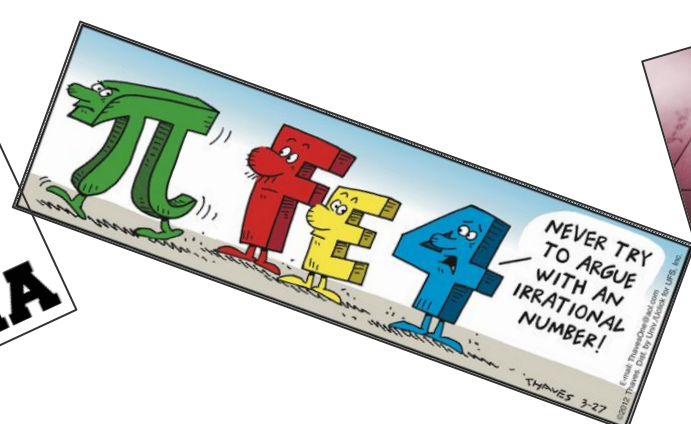

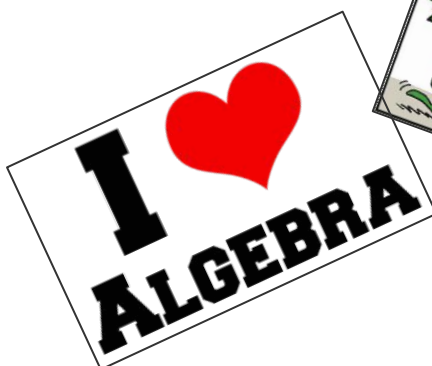

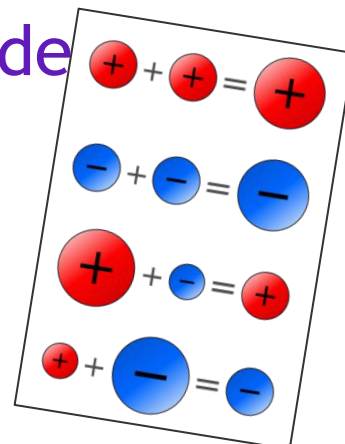

WHAT ARE WE LEARNING ABOUT THIS FALL?

6th Grade

- Number Sense, Addition, and Subtraction
- Multiplication: Whole Numbers and Decimals
- Division: Whole Numbers and Decimals

6th Grade Accelerated / 7th Grade

- Integers
- Expressions and Equations
- Inequalities
- Rational Numbers: Decimals

WHAT ARE WE LEARNING ABOUT THIS FALL?

7th Grade Accelerated/8th Grade

- Rational Numbers
- Real Numbers
- Expressions and Equations
- Inequalities

Algebra I

- Basic Concepts of Algebra
- Linear Equations
- Linear Inequalities
- Relations and Functions
