

Happy New Year Storm!

It is truly unbelievable that we are now almost half way through the school year, and we have ushered in yet another calendar year. The past four months have been jammed packed with exciting learning opportunities for middle school.

I hope that you have had an opportunity to speak with your student about all of the awesome things that they have done thus far in both History and Religion. I am looking forward to all of the great learning experiences that are planned for the end of the second quarter and the start of the second semester.

Welcome Back Storm!

Dear Storm Family,

I would like to extend a warm welcome back to all of our returning families and students, and a special welcome to all of our new students.

I am tremendously excited about all of the challenging and fun units that we are going to be covering this year. Take a look to the right to see what the first semester has in store.

Getting to Know Mrs. Beagley

A few things about me; I was born in Landstuhl, Germany on June 6 to military parents, longer ago than I care to admit. I am a graduate of McDonough High School; I hold a Bachelor's of Science in History from Towson University; and a Master's of Arts in Teaching from Bowie State University. My husband and I have been married for eleven years, and we have an eight, almost nine, year old son who will be starting the third grade at St. Peter's this fall. We are all avid readers, sports fans, and computer gamers.
